# **CURRENT BUSINESS:**

1. Presentation by Tony Kaufman and Randy Meininger regarding Community Clean Up Project

Tony Kaufman addressed Council and explained that the reason for a community clean up project is twofold. One is to provide an opportunity for residents to discard unwanted items. The second is for emergency/disaster preparedness. This would be a controlled exercise that would give added benefit of preparing for an 'event' if there is one. He and Mr. Meininger have been working with community agencies and churches the last few months to prepare for a clean up day. It will include the communities of Gering, Terrytown and Scottsbluff. They are present at this meeting to make Council aware and to get their blessing.

They are working with community churches to establish a base of volunteers. They've also reached out to the Chamber and are working with other agencies in the community to plan the event and mitigate issues that may arise, even in a controlled environment. If Council is interested in participating, there will be plenty of opportunities to do that. April 26 is the day scheduled for the clean up event from 7 a.m. to 5 p.m.

# 2. Approve holding a Community Clean Up on Saturday, April 26, 2025 directed by Tony Kaufman and Randy Meininger

6. Approve and authorize the Mayor to sign Memorandum of Agreement between the Scotts Bluff County Sheriff's Office and the Gering Police Department

Motion by Councilmember Gillen to approve and authorize the Mayor to sign Memorandum of Agreement between the Scotts Bluff County Sheriff's Office and the Gering Police Department. 7. Approve Ag Estate Dwelling Site located at 150785 CR 22, Tract in the South ½ of the Southwest ¼ of Section 13, Township 21 North, Range 55 West of the 6th P.M., Scotts Bluff County, NE

Engineer Folck explained that the City received an application for an Ag Estate Dwelling located towards the southern end of the City's extraterritorial jurisdiction, as shown on the vicinity map. Typically, a dwelling site can be split off as long as there are 80 acres of agricultural land held in reserve. This one doesn't quite meet that, but the zoning code was recently amended to clarify that for existing farmsteads, less than 80 acres can be allowed. In this case, 68.14 acres will remain in reserve meeting the requirements of City Code. It also meets code as far as street frontage and sizeable lot. Planning Commission recommended approval and staff recommends approval as well.

Councilmember O'Neal noted that all of these that have been brought to Council in the last six months were about the same. Can something be changed so Council doesn't have to keep doing this? It seems like it holds things up for people, too. Engineer Folck replied it's one vote at Planning Commission and one vote at Council. Staff want to make Council aware if it's less than 80 acres. Either way, both the Planning Commission and the City Council have to approve it. It cannot be done administratively.

Motion by Councilmember Gillen to approve an Ag Estate Dwelling Site located at 150785 CR 22, Tract in the South ½ of the Southwest ¼ of Section 13, Township 21 North, Range 55 West of the 6th P.M., Scotts Bluff County, NE. Second by Councilmember Wiedeman. There was no discussion. Mayor Ewing called for the vote. "AYES": Shields, Gillen, Bohl, Wiedeman, O'Neal, Morrison, Cowan. "NAYS": None. Abstaining: None. Absent: Seay. Motion Carried.

# 2. Approve Resolution 1-25-2 regarding rates for Westlawn Cemetery and a new fee for monument layout

Director of Parks and Recreation, Amy Seiler, informed Council that the Parks Board has met several times (regarding these fees) and are making the recommendation that the fees at Westlawn Cemetery be increased. They are implementing a new fee that they have not had in the past which is a monument layout

fee; that fee will be charged to monument companies. It's for staff's time to lay out the monuments for spacing and to make sure they are setting correctly. Other cemeteries in the area are also adding this fee. The other fees are to help the City keep up with increasing costs such as minimum wage. Councilmember Bohl suggested evaluating these fees (and other fees such as the RV Park) on an annual basis. Ms. Seiler replied, absolutely. Staff, and in this case the Park, Cemetery and Tree Board, can do that.

# PUBLIC HEARINGS:

**1.** Public Hearing to consider changes to the Zoning Code regarding drive through restaurants Mayor Ewing opened a public hearing to consider changes to the Zoning Code regarding drive through restaurants at 6:24 p.m. City Engineer, Annie Folck, explained that the City adopted a new zoning code in 2020; it was designed to be a living document. This is the first of some relatively minor changes staff will be bringing to Council with a goal to try to keep everything up to date and clear and as business-friendly as possible. While there may be some interest in having this, the City does not currently allow drive through restaurants at all in the C-1 Zone – Neighborhood Commercial. It's designed to be the least intensive zone; there is actually nothing zoned as that right now, but there are places in the Comp Plan that are identified that could be zoned as that. Regular restaurants are allowed in the C-1 Zone, but not drive through. Drive through restaurants tend to have more traffic and activity that is not as compatible with residential. The C-1 Zone is designed to be adjacent to and completely surrounded by residential. After some discussions, it came up that not all drive throughs are created equal. Different types of restaurants have different amounts of traffic depending on the nature of the site and how much space there is for cars to line up and what street it's on. There are some contexts where staff does think that drive through restaurants could be appropriate. Staff and Planning Commission recommended to allow it as a conditional use only in the C-1 Zone. That means that if someone was interested in doing that, they could still do a drive through restaurant there, but they would have to come before the Planning Commission and show their plan for handling traffic and cars queued up in the drive through and make sure the City has some oversight to be sure that it is compatible with nearby residential areas. This proposed change is an attempt to be proactive and business-friendly for anything that might come along in the future.

Councilmember Bohl asked for an example of where this might happen. Engineer Folck replied that the Comp Plan identified some of the main intersections in town. A lot of them are along Five Rocks Road. The corner of M Street and Five Rocks Road, for example. That particular intersection could be appropriate for commercial development as long as it's compatible with the residential around it. Other examples are Country Club and Five Rocks Road and U Street and Five Rocks Road. This is something that is seen a lot more in new developments throughout the country. Councilmember Morrison asked if it could potentially go further south on M Street. Engineer Folck replied potentially, yes. She further explained the Comp Plan and districts. There are some nodes that would be appropriate for Neighborhood Commercial. She clarified that it would not be spot zoning.

Mayor Ewing asked if anyone wished to speak regarding this public hearing. Seeing none and with no further discussion, the public hearing closed at 6:31 p.m.

1a. Approve Ordinance No. 2151 - AN ORDINANCE OF THE CITY OF GERING, NEBRASKA, TO AMEND THE ZONING ORDINANCE, ARTICLE 3, SECTION 3.11 TO ADD RESTAURANTS, DRIVE-IN/DRIVE-THRU AS A CONDITIONAL USE IN THE C-1 ZONE, AND PROVIDING FOR AN EFFECTIVE DATE THEREOF

Councilmember Morrison made a motion to introduce Ordinance No. 2151 – AN ORDINANCE OF THE CITY OF GERING, NEBRASKA, TO AMEND THE ZONING ORDINANCE, ARTICLE 3, SECTION 3.11 TO ADD RESTAURANTS, DRIVE-IN/DRIVE-THRU AS A CONDITIONAL USE IN THE C-1 ZONE, AND PROVIDING FOR AN EFFECTIVE DATE THEREOF. Absent: Seay. Motion Carried.

There was no discussion. The Clerk called the roll. "AYES": Shields, Gillen, Bohl, Wiedeman, O'Neal, Morrison, Cowan. "NAYS": None. Abstaining: None. Absent: Seay. Motion Carried.

Gross revenue earned by an Affiliate or parent of PERMITTEE that is not a party to this Agreement shall not be subject to taxes or fees pursuant to this Agreement so long as such revenue is derived from activities outside of the CITY. Any Affiliate or parent of PERMITTEE that is not a party to this Agreement and desires to enter upon or use any Rights-of-way for Facilities or other equipment or to provide communication services within CITY shall not be authorized to do so pursuant to this Agreement and instead shall be required to enter into a separate agreement with CITY, the terms and conditions of which shall control together with any applicable laws, rules or regulations. Gross Revenue of Inventive Wireless of Nebraska, L.L.C., d/b/a Vista Beam, shall also include any other company directly or indirectly using or accessing the public right-of-way in its relationship with Vista Beam by or through lease, sale, license, rental, or any other contractual relationship between Vista Beam (PERMITTEE) and the other subject entity related to the use of Communication Facilities or Facilities as defined by this Agreement.

In consideration of and upon the terms and conditions set forth in this Agreement and those set forth in the "Statement of Policy and Standard Specifications for Communications Cable and Facilities in Public Rights-Of-Way" (the "Policy"), attached hereto as "EXHIBIT A" and incorporated herein by this reference, as may be modified from time to time, CITY hereby agrees to grant and give to PERMITTEE a limited and non-exclusive right to survey and construct, subsequent to PERMITTEE's acquisition of all necessary permits and payment of all applicable fees in accordance with this Agreement and all applicable law, to install, operate, inspect, maintain, protect, repair, alter, replace or remove PERMITTEE's telecommunication or communications Cables and Facilities ("Communications Facilities"), as the Communications Facilities are described on CITY-approved plans and specifications to be added to this Agreement from time to time, which documents are described in Article V(A) below and shall collectively be known as "EXHIBIT B", each of which shall be considered a part hereof after being dated and signed by authorized representatives of both Parties, and attached hereto by CITY. The Communications Facilities shall consist of underground conduits, Cables, wires, optic fibers, dark fibers, splicing boxes, and appropriate appurtenances located beneath the surface of the streets, alleys, sidewalks or other public grounds within CITY, but only as such Communications Facilities and such streets, alleys, sidewalks or other public grounds are described in EXHIBIT B. PERMITTEE shall not install its Communications Facilities beneath any street, alley, sidewalk or other public ground except as specifically described in **EXHIBIT** 

B. The permit contemplated by this paragraph shall include the right of reasonable access to the Communications Facilities by PERMITTEE.

C. <u>Notice to Telecommunications Services/Communication Services</u>. PERMITTEE, including but not limited to any affiliate or parent of Permittee is required, by this Agreement, to provide written notice of the existence and substance of all of the terms and conditions of this Agreement to any persons, companies, entities, including telecommunications businesses, telecommunications services, or communication services, or any other entity who enters into any contractual relationship, of any kind or form, with PERMITTEE related to the use of "cable", "communication facilities," and "facilities," infrastructure usage, as defined herein. PERMITTEE acknowledges that any entity or company using directly or indirectly the City public right-of-way must apply for and enter into an Agreement to provide telecommunication, cable, facilities, communication systems, and services to residents of the City of Gering. The written notice shall be sent to the subject companies and entities, herein, at the time that any contractual relationship of any kind herein is entered into. A copy of the written notice shall be sent to the CITY within 10 days of any such contractual agreement by certified mail.

D. <u>Waiver of CITY Liability</u>. PERMITTEE acknowledges and agrees that CITY makes no representation to PERMITTEE as to the suitability of CITY Rights-of-way or property for the purposes intended by PERMITTEE. PERMITTEE hereby waives, relinquishes and releases CITY from any and all loss, claim or liability arising out of PERMITTEE's use of CITY's Rights-of-way or property or arising out of PERMITTEE's exercise of rights or authority under this Agreement and under any permit issued pursuant to this Agreement.

E. <u>CITY's Retained Rights</u>. In addition to, and not in limitation of, any other rights of CITY under this Agreement or applicable law or regulations, CITY retains the following rights in regard to this Agreement:

(1) At its option, to terminate this Agreement or Rights-of-way permits for misuse, non-use or failure of PERMITTEE to comply with the provisions hereof, or for any reason that the Agreement or any such permits may be terminated by CITY as provided under this Agreement, the Policy, or applicable laws, regulations, or rules;

(2) To use, control and regulate the use of CITY streets, roads, easements, other public places, and the Rights-of-way, including without limitation the space above, upon, within, and beneath the same;

(3) To require the removal or relocation of any of the Communications Facilities from the Rights-of-way, or to allow PERMITTEE to abandon any segment of such Communications Facilities, as required or allowed under the CITY's Policy or applicable permit(s), laws, rules, or regulations;

(4) To make any and all required changes and modifications to any utilities in its rights-of-way without cost or expense to the CITY related to any work required by the City in its rights-of-way; and

(5) To require PERMITTEE, at its cost, to make any changes or modifications to PERMITTEE'S Facilities, in the sole discretion of the CITY and at the CITY'S request.

F. <u>Construction of Permissions Granted</u>. The permissions granted herein to make reasonable use of the Rights-of-way shall not be deemed to be a franchise, nor an exclusive license or right, and CITY reserves the right to make or grant a similar use of the Rights-of-way to any other persons or entities. Furthermore, all terms and conditions of the Policy, this Agreement, and applicable laws and regulations, if possible, shall be interpreted in a manner that is consistent and gives effect to all terms and conditions, as determined by the City Administrator or the City Administrator's designee. In the event the City Administrator or the City Administrator's designee determines that any conflict exists between or among any terms or conditions of this Agreement, the Policy, any permit, or applicable laws or regulations, such terms or conditions shall be interpreted pursuant to the following order: applicable laws, applicable regulations, the Agreement, the permit, and the Policy, as determined by the City Administrator or the City Administrator's designee. PERMITTEE, without intending to limit any other provisions of the Policy, specifically acknowledges that PERMITTEE and its Communications Facilities shall be subject to the requirements of Section G. of the Policy, relating to costs to be paid to CITY.

G. <u>Effect of Termination</u>. Upon termination of this Agreement, whether by expiration of the Term or by earlier termination by a Party as allowed by this Agreement, PERMITTEE's rights to use the public Rights-of-way shall cease, regardless of whether such use of the Rights-of-way was approved under this Agreement or a subsequent Rights-of-way permit, and CITY may exercise its right to require the removal or relocation of any of the Communications Facilities from the Rights-of-way pursuant to Article II(D)(3) of this Agreement, or may pursue all other remedies which may be available to CITY under this Agreement or by law.

#### Article III - Scope of Agreement: Providing "Cable Services" Prohibited: Installation or Attachment of Small Wireless Facilities or Small Cell Antennas and Components Are Beyond Scope

This Agreement confers only the right to make reasonable use of the Rights-of- way for PERMITTEE's installation and use of the Communications Facilities, as defined in Article I(C) above, and it is expressly conditioned upon the restriction that PERMITTEE shall not operate as a "cable operator" as that term is defined under federal law (47 U.S.C. § 522(5)) nor shall it provide or offer to provide "cable services" as that term is defined

U.S.C. § 522(5)), nor shall it provide or offer to provide "cable services" as that term is defined under federal law (47 U.S.C. §522(6)), without proper local, state, and federal authorization, as required by law.

Furthermore, this Agreement does not confer to PERMITTEE any permission or right to install any poles, towers or other structures on, within or above CITY Rights-of- way, unless such facilities are part of the Communications Facilities approved by the CITY, or to install or attach any antennas or other wireless service components or equipment to, in, on, or as part of any poles, towers, or other structures on, within, or above CITY Rights-of-way, for any of its Facilities or Communication Facilities, including but not limited to, small wireless facilities or small cells as defined by State and Federal law, or other wireless communication technologies ("Other communication facilities"). The Parties acknowledge and agree that any proposed installation or attachment of any other communication facilities shall require the Parties to enter into a separate Master Agreement or License Agreement which is specific to the proposed use and in the form and content satisfactory to CITY; and that in accordance with such separate master agreement or license agreement PERMITTEE shall be required to: (i) submit an application for a permit, along with plans and specifications and related documents, for CITY's review and approval, (ii) and acquire all necessary permits from CITY, and submit payment of all applicable initial fees and annual recurring fees to CITY, for all such small wireless facilities and small cell installations and attachments in CITY's Rights-of-way.

## Article IV - Approvals and Fees

A. PERMITTEE shall obtain all approvals from CITY as required by applicable laws, rules, or regulations, and comply with all conditions, requirements, and other provisions.

B. The City of Gering owns and operates its own electrical system. It owns poles and its appurtenances. To the extent that PERMITTEE accesses or uses the poles and its appurtenances, PERMITTEE agrees to rent the use of the poles and appurtenances at the rate of \$20.00 dollars per pole, per year, for the duration of this Master Agreement. CITY retains the option in its discretion to review the rental rate and make adjustments to that rate every five (5) years. Payments for rent will be due on the yearly anniversary of the execution of the Master Agreement.

C. To the extent PERMITTEE's sales of communications services and sales and leases or licenses of optical fibers to third parties are subject to fees allowed by law, PERMITTEE shall collect such fees from such third parties and promptly remit them to the appropriate authority as provided below.

D. To the extent PERMITTEE provides communication services, fiber rental, or fiber use to users or subscribers, PERMITTEE shall pay to CITY a fee in an amount equal to five percent Page 5 of 18 Master Agreement for Cable & Facilities in R-o-W Inventive Wireless d/b/a Vista Beam (5%) of all Gross Revenue for all monthly charges for any telecommunication services of any kind within the City of Gering, including gross revenue. PERMITTEE has collected as a result of PERMITTEE's use of CITY's public Rights-of- way or public grounds to provide such communication services, fiber rental, or fiber use to users or subscribers within the corporate limits of CITY. PERMITTEE shall file at least semi-annually, unless otherwise specified by the CITY's Municipal Code or agreed upon with CITY, a statement of such Gross Revenues from subscribers and users within CITY, in such form as is approved or specified by CITY. PERMITTEE shall secure all permits required to be issued by the appropriate officials of CITY, and pay all applicable fees, in connection with the installation of the Communications Facilities. The Communications Facilities shall be laid substantially in accordance with the plans and specifications submitted to and approved by CITY and in conformity with any and all specific conditions as may be set forth by CITY from time to time in the permits granted to PERMITTEE by CITY pursuant hereto, copies of which permits, plans, and specifications shall be kept on file by CITY.

B. <u>One-Call System</u>. PERMITTEE shall be a party to the Nebraska One-Call System. Facilities shall be located (through One-Call), installed and maintained so that none of the Communications Facilities, or activities in connection with such Communications Facilities, endanger the lives, health or safety of persons, or interfere with any public or other improvements CITY or other governmental or private entities (including any storm water, sanitary sewer or water utilities or enterprises) have in place or may deem proper to make, nor shall the location, installation or maintenance of the Communications Facilities hinder or obstruct the safe and free use of the streets or other public Rights-of-way. All Communications Facilities shall be so located as to cause minimum interference with the rights and reasonable convenience of property owners of property which adjoins any Rights-of-way.

C. <u>Schematic Plans for Facilities</u>. With its request for this Agreement, and with any request for a permit pursuant to this Agreement, PERMITTEE shall furnish to CITY the general schematic plans for its Communications Facilities, including, route maps, depiction, sketch or renderings of its equipment boxes and structures, engineering, traffic control, and landscaping plans. Such plans and reports shall be subject to review and approval of the City Engineer or the City Engineer's designee with respect to applicable requirements imposed upon all similarly situated PERMITTEES and users of the rights of way, including the following: (1) that all applicable laws including building and zoning codes and air and water pollution regulations are complied with, (2) that aesthetic and good planning principles have been given due consideration, and (3) that adverse impact on the environment has been minimized. PERMITTEE shall comply with all such applicable requirements of CITY and shall incorporate all other changes to its plans as requested by CITY in accordance with such applicable requirements. Final plans and specifications shall be submitted and be subject to review and approval in accordance with the Policy or applicable permitting requirements.

D. <u>PERMITTEE's Obligations</u>. All construction, excavation, maintenance, and repair work done by PERMITTEE shall be done in a good, workmanlike and expeditious manner which minimizes the inconvenience to CITY, the general public and individuals. PERMITTEE shall be liable for any damage to CITY or CITY-owned property caused by PERMITTEE or PERMITTEE's

failure to act in a timely manner. All such construction, excavation, maintenance, and repair work done by PERMITTEE shall comply with all applicable federal, state, and local laws, rules, and regulations, and PERMITTEE shall be responsible for obtaining all applicable permits and licenses. PERMITTEE shall, at PERMITTEE's sole cost and expense, maintain the construction, excavation, maintenance, and repair work areas in a neat and tidy manner, and free and clear of all obstructions, trash, rubbish, debris, and other materials. CITY shall have the right to inspect all construction or excavation work to ensure compliance with this Agreement and all applicable laws, regulations, and permits, and may order PERMITTEE to perform corrective work, with respect to which PERMITTEE shall promptly comply. All public and private property disturbed by PERMITTEE's activities shall be promptly restored by PERMITTEE at its expense to the same or similar condition existing prior to such activities, subject to inspection by CITY's Director of Public Works, City Engineer or his or her designee and compliance by PERMITTEE with any remedial actions required by said official pursuant to the inspection, all to the satisfaction of such CITY official. PERMITTEE shall be liable to CITY for the full cost of restoring any public property not promptly or adequately remedied by PERMITTEE as required by said official.

E Installation, Maintenance, Renovation and Replacement of Facilities. The installation, maintenance, renovation and replacement of Facilities by PERMITTEE shall be subject to regulation by CITY through requirements including, without limitation, CITY's Code of Ordinances, this Agreement, and the attached Policy, with respect to matters including but not limited to: (a) the location of Communications Facilities in or upon the streets, alleys and dedicated easements, (b) the disturbance and reconstruction of pavement, sidewalks, and surface of streets, allevs. dedicated easements and driveways, (c) the timing and scheduling of work, and (d) the temporary closure of portions of streets and alleys. All Communications Facilities shall be designed and installed so as to cause a minimal amount of interference with public property, water mains, sewer mains, electric and natural gas facilities, street lights, traffic signals, and all other municipal or authorized use of the Rights-of-way. CITY's Administrator, Director of Public Works, City Engineer, or his or her designee, may direct and require PERMITTEE to locate its Communications Facilities within a defined telecommunications corridor within any street or other Rights- of-way or otherwise at a specific location to minimize interference with other facilities or utilities. PERMITTEE shall install and maintain its Communications Facilities in such manner as to minimize interference with trees, natural features, and vegetation.

F. <u>Interference with the Public Ways</u>. The PERMITTEE may not locate or maintain its Communications Facilities so as to interfere with the use of the public ways by the City, or other persons authorized to use or be present in or upon the public ways. All such facilities shall be moved by and at the expense of the PERMITTEE, temporarily or permanently, as determined by the CITY.

## G. <u>Relocation or Removal of Facilities.</u>

1. Within thirty (30) days following written notice from the CITY, a PERMITTEE shall, at its own expense, temporarily or permanently remove, relocate, change or alter the position of any Communications Facilities within the public ways whenever the CITY Administrator or their designee shall have determined that such removal, relocation, change or alteration is reasonably necessary for:

i. The construction, repair, maintenance or installation of any CITY or other governmental entity public improvement in or upon the public ways.

ii. The operations of the CITY or other governmental entity in or upon the

public ways.

- iii. The vacation of public street or release of a utility easement.
- iv. Public health and safety reasons.

2. Provided the CITY has complied with the One Call Notification System Act, the CITY shall not be liable for any damage to or loss of any Communications Facility within the public ways as a result of or in connection with any public improvements, construction, excavation, grading, filling, or work of any kind in the public ways by or on behalf of the CITY unless directly or proximately caused by the willful, intentional or malicious acts by the CITY.

H. <u>Conditions of Grant of License or Franchise, Removal of Unauthorized Facilities</u>. Within thirty (30) days following written notice from the CITY, any PERMITTEE, telecommunications carrier, or other person that owns, controls, or maintains any unauthorized telecommunications system, facility or related appurtenances within the public ways shall at its own expense, remove such facilities or appurtenances from the public ways. If PERMITEE fails to remove such facilities or appurtenances, the CITY may cause the removal and charge the PERMITTEE for the costs incurred. A telecommunications system or facility is unauthorized and subject to removal in the following circumstances:

1. Upon expiration or termination of the PERMITTEE'S license or franchise.

2. Upon abandonment of a facility within the public ways.

3. If the system or facility was constructed or installed without the prior grant of license or franchise.

4. If the system of facility was constructed or installed without the prior issuance of a required construction permit.

5. If the system or facility was constructed or installed at a location not permitted by the PERMITTEE'S license or franchise.

Any such other circumstances deemed reasonably necessary by the CITY Administrator in order to protect public health, safety and welfare.

I. <u>Conditions of Grant of License or Franchise; Restoration of Right-of-Way. The</u> <u>PERMITTEE shall comply with the following:</u>

1. When PERMITTEE, or any person acting on its behalf, does any work in or affecting any public ways, it shall, at its own expense, promptly remove any obstructions therefrom and restore such ways or property, including trees, landscaping and grounds to substantially the same condition which existed before the work was undertaken.

2. If weather or other conditions do not permit the complete restoration required hereunder, the PERMITTEE shall temporarily restore the affected ways or property. Such temporary restoration shall be at the PERMITTEE'S sole expense and the PERMITTEE shall promptly undertake and complete the required permanent restoration when the weather

conditions no longer prevent such permanent restoration.

3. PERMITTEE or other person acting on its behalf shall use suitable barricades, flags, flagmen, lights, flares, and other measures as required for the safety of all members of the general public and to prevent injury or damage to any person, vehicle, or property by reason of such work in or affecting such public ways.

4. The City Administrator may order PERMITTEE to perform such restoration work by a date certain.

CITY agrees to make a good faith effort to process all of PERMITTEE's completed applications for construction permits in a timely manner.

## Article VI - Additional CITY Regulation

CITY expressly reserves its right and duty to adopt, from time to time, in addition to the provisions herein contained, such policies, ordinances and rules and regulations as CITY in its sole discretion deems necessary or appropriate to promote the health, safety or welfare of CITY, its inhabitants or their property. Not in limitation of the foregoing sentence, PERMITTEE understands that CITY reserves its right and duty to adopt changes to the Policy, attached as Exhibit A, from time to time as deemed necessary for the best interests of CITY, its inhabitants or their property.

## Article VII - Collocation and Conduit Sharing

In order to minimize disruption to vehicular traffic and inconvenience to the public, and protect the public interests in connection with permitted uses of Rights-of-way, which have limited capacity, by utilities, holders of leases and permits and other interests needing to locate or maintain facilities in the Rights-of-way for the benefit of the public, it is imperative that any conduit sharing and other collocation solutions be encouraged and utilized to the greatest extent possible. In furtherance of such purposes, PERMITTEE agrees, wherever reasonably feasible, that it shall collocate its Communications Facilities and cooperate with CITY and others in placing conduit within the Rights-of-way and in sharing or utilizing unused space within underground conduits owned by PERMITTEE or others, and upon any above ground Communications Facilities owned by PERMITTEE or others. At any time that CITY or PERMITTEE intends to install new underground conduit or replace existing underground conduit, or install or replace other facilities in CITY controlled Rights-of-way, such Party shall endeavor, whenever feasible, to provide the other Party with forty-five (45) days advance written notice in order to permit the additional contemporaneous installation of conduit and assessment for potential collocation. If either Party desires additional conduit installed, it will so notify the other Party. The Party providing such notice shall be responsible for the additional incremental expense for installing such additional conduit.

## Article VIII - Insurance and Bond

A. <u>Insurance</u>. Prior to commencement of any installation of Communications Facilities under this Agreement, PERMITTEE shall procure and thereafter continuously maintain, for as long as this Agreement remains in effect, the insurance coverages specified in the Policy.

B. Bond. PERMITTEE shall file with the City Clerk a continuing performance bond as

specified in the Policy.

## Article IX - Term and Renewal

A. <u>Initial Term</u>. The initial Term of this Agreement shall be for a period of five (5) years from and after the Effective Date of the Agreement, unless sooner terminated as provided in this Agreement or for any reason a permit is terminated or may be terminated by CITY. Regardless of the term, as it pertains to Permittee or its representative and assigns, PERMITTEE is required to notify its principal and service provider it does work for, or otherwise requests, to be obligated to comply with provisions in Articles II, III, IV, V, IX, X, and XI of this Master Agreement.

B. <u>Renewal</u>. At the expiration of the initial Term, this Agreement shall automatically renew thereafter on a one-year basis, unless either Party provides notice to the other of its intention not to renew prior to the expiration of the initial or any renewal term. CITY reserves the right to modify the terms and conditions of this Master Agreement. CITY and PERMITTEE may otherwise agree, in writing, to renew beyond the initial term.

## Article X - Indemnification, Representations, and Warranties

A. Indemnity. Pursuant to this Article, which shall survive the termination of this Agreement, PERMITTEE shall indemnify, defend and hold harmless CITY, its officers, employees, elected officials, boards, commissions and any other legal entity affiliated with CITY from and against all liabilities, claims, damages, penalties, losses, demands, suits, costs, and expenses whatsoever for personal injury, death, or property damage which arise from or on account of, in whole or in part, any acts or omissions of PERMITTEE, or any agent of PERMITTEE. pursuant to this Agreement or any permit, including without limitation, all liabilities, claims, losses, demands, suits, costs, expenses, damages or penalties arising out of PERMITTEE's installation, construction, operation, maintenance, or removal of the System and Communications Facilities, except for such liabilities, claims, losses, demands, suits, costs, expenses, damages or penalties caused solely by the intentional misconduct or gross negligence of CITY or agent thereof. PERMITTEE also hereby agrees, at its sole discretion, to either defend the CITY against indemnified claims or to pay all reasonable expenses incurred by CITY in defending itself with regard to any damages, claims or penalties arising from PERMITTEE's acts or omissions, including all out-of-pocket expenses, reasonable attorneys' fees, and the reasonable value of any services rendered by the City Attorney, their assistants or sub-consultants, or any employees of CITY.

B. <u>CITY's Immunities</u>. Nothing in this Agreement is intended, nor shall it be construed, to create or extend any rights, claims or benefits to, or assume any liability for or on behalf of, any third-party, or to waive any rights, immunities or limitations otherwise conferred upon CITY under or by virtue of federal or state law.

C. <u>Notice and Defense of Third-Party Actions</u>. Each Party entitled to indemnification under this Article X (the "Indemnified Party") shall give prompt written notice to the Party that is obligated to provide such indemnification (the Indemnifying Party") of the commencement or assertion of any claim by a third-party (collectively, a "third-party action") in respect of which the Indemnified Party will seek indemnification hereunder, which notice shall state, to the extent known to the Indemnified Party, the basis on which the claim for indemnification is made, the facts giving rise to or the alleged basis of the third-party action, and the amount (which may be estimated) of liability asserted by reason of the claim; such notice shall also include a copy of the document (if any) by or in which the third-party action is commenced or asserted. Any failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to the Indemnified Party under this Article unless the failure to give such notice materially and adversely prejudices the Indemnifying Party or caused the Indemnifying Party to incur any additional expense and then only to the extent of such prejudice or additional expense. The Indemnifying Party shall have the right to assume control of the defense of or settle or otherwise dispose of such third-party action on such terms as the Indemnifying Party deems appropriate; *provided, however,* that:

(1) The Indemnified Party shall be entitled, at its own expense, and without unreasonable interference with the actions of the Indemnifying Party, to participate in the defense of third-party actions;

(2) The Indemnifying Party shall obtain the prior written consent of the Indemnified Party before entering any settlement, compromise, admission, or any acknowledgment of the validity of a third-party action or any liability in respect thereof, which consent shall not be unreasonably withheld;

(3) No Indemnifying Party shall consent to the entry of any judgment or enter any settlement that does not include a release from all liability by each claimant or plaintiff to each Indemnified Party with respect to such third-party action; and

(4) In the event the Indemnifying Party fails to assume the defense within a reasonable length of time, the Indemnified Party shall be entitled to have sole control over, the defense or settlement, compromise, admission, or other acknowledgment of any third-party action.

D. <u>Cooperation</u>. The Parties shall cooperate with each other in the defense of any thirdparty action that is the subject of this Article X and shall furnish each other all such further information that they have the right and power to furnish as may reasonably be necessary to defend such third-party action.

E. <u>Representations and Warranties</u>. In addition to any other representations and warranties contained in this Agreement, each Party hereto represents and warrants to the other that:

(1) It has the full right and authority to enter, execute, deliver, and perform its obligations under this Agreement;

(2) It has taken all requisite corporate or municipal action to approve the execution, delivery and performance of this Agreement;

(3) This Agreement constitutes a legal, valid, and binding obligation enforceable against such Party in accordance with its terms; and

(4) Its execution of and performance under this Agreement shall not violate any applicable existing regulations, rules, statutes, or court orders of any local, state, or federal government agency, court, or body.

## Article XI - Remedies Upon Breach

A. In the event of any breach of the terms of this Agreement by either Party, the non-Page 11 of 18 Master Agreement for Cable & Facilities in R-o-W breaching Party shall have the right to obtain one or more of the following remedies, which are expressly agreed to be cumulative, and the exercise of any one or more of them shall not be dependent upon the exercise of any other remedy, nor does the exercise of any one or more of them constitute any bar or limitation to the exercise of any other: (1) specific performance or injunctive relief, (2) monetary damages, and (3) termination.

B. Before terminating the Agreement pursuant to subsection "A" above on account of any default, the non-defaulting Party shall provide the Party in default with written notice of the default and afford such Party a reasonable period in which to cure the default which shall be at least 30 days, unless otherwise extended, in writing, by the non-defaulting Party.

#### Article XII - Delays and Limitation of Liability

A. <u>Delays</u>. Under no circumstances shall CITY ever be liable for any outage, interference or interruption, or for any delay in restoring any service or any operational aspect, of PERMITTEE's Communications Facilities and System within the Rights-of- way which have been subjected to an outage, interference or interruption, whatever the cause of such outage, interference or interruption, unless solely caused by the intentional misconduct or gross negligence of CITY or an agent acting on behalf of CITY, and where CITY would be liable under the Nebraska Political Subdivisions Tort Claims Act.

B. <u>Limitation of Liability</u>. In no event shall CITY be liable to PERMITTEE or any agent of PERMITTEE for any special, incidental, indirect, punitive or consequential damages, whether foreseeable or not, arising out of, or in connection with this Agreement. Further CITY shall not be liable to PERMITTEE, or any agent of PERMITTEE for any operations, transmission interruptions or problems, including but not limited to, any special, incidental, indirect, punitive or consequential damages relating to damage or loss of property or equipment, loss of profits or revenue, cost of capital, cost of replacement services, or claims of PERMITTEE's customers for any reason whether occasioned by any repair or maintenance performed by, or failed to be performed by, CITY or an agent acting on behalf of CITY to CITY equipment, or any other cause whatsoever, including, without limitation, breach of contract, breach of warranty, negligence, or strict liability. All claims for damages arising out of this Agreement shall be made within the limitations period specified by applicable Nebraska Statutes. Notwithstanding any longer limitations period that might be provided by applicable law, no claims for damages with respect to this Agreement may be made more than five (5) years after the date that the event giving rise to such claim is known or reasonably should have been known to the person or entity making such claim; and no claim for indemnity under the provisions of this Agreement may be made more than five (5) years after the first notice of any claim received by the Party claiming under such indemnity provision.

Explanation of the ag	Submitted by:       Pat Heath, City Administrator         In 2022, a ballot initiative related to LB357 was passed by Gering voters. The initiative provides for a half cent sales tax to be used for infrastructure projects. The Community Redevelopment Authority was created pursuant to Neb. Rev. Stat. §18-2102.01. The Authority shall be made up of seven persons appointed by the Mayor with the approval of the City Council. The terms of office of the members initially appointed shall be one member each for one year, two years, and five years, and two members each for three years and four years, as designated by the mayor.         Explanation of the agenda item:       Staff would like to propose using LB357 sales tax funds for a water main project.
