

**LEGEND**

 Routes Designated

These streets are established as routes to be used by trucks, truck/tractors or semi-trailers, or any combination thereof, exceeding thirty (30') in total length or exceeding twenty thousand (20,000) pounds gross vehicle (but not including vehicles classified as recreational vehicles).

 Trucks Prohibited

No truck of a type described in 'Routes Designated' shall be operated on these streets unless the operator of the truck shall be making a lawful pickup or delivery to any residence, business, government entity, or agency requiring commercial delivery of merchandise.
