FOR IMMEDIATE RELEASE

August 19, 2024

FAST FORWARD WILL BE COMING TO GERING

GERING – City officials announced today that Fast Forward will be in the Gering area inspecting electrical lines starting Thursday, August 22 through Friday, August 30. The Fast Forward vehicle will be following lines along public roads and alleyways to capture daytime and thermal imaging of the City’s electrical system to help prevent outages and wildfires. Citizens may see this vehicle in the area driving both during the day and at night. A photo of what the Fast Forward vehicle looks like is shown below.
